## Corporate Golf Days

A one-tee start is recommended for up to 40 players, with shot gun start options available for larger groups. At Otterkill, we can accommodate up to 250 players. Catering and beverage options are tailored to suit your requirements, including pre-event breakfasts, BBQ lunches, a reception with evening cocktails and informal seated or buffet-style dinner.

## Holiday Affairs

A company holiday party is a great way to thank employees for their support over the past year. It also offers a perfect venue to do relationship-building with all stakeholders. Our professional event coordinators take the hassle out of planning the perfect holiday and year-end event for your corporation, organization or small business.
